Kingdom of the trials conducted on scientific parameters for Ayurvedic drugs for their efficacy and safety.

(c) As per information available, these systems are not universally recognised.

(d) Government has already taken steps to propagate Ayurveda, Yoga etc. in foreign countries by deputing experts on Ayurveda and Yoga to attend the International events. Care would be taken to emphasise the scientific evidence of these systems in addition to therapeutics.

Statement-II

National Cancer Control Programme

There various schemes under National Cancer Control Programme for which central assistance is provided to the State Government/Institutions. The schemes are as under:

Development of Oncology Wing

This scheme is available only for Government Medical Colleges to fill up the geographical gaps in the detection and treatment of cancer in the country. It has been observed that there is wide geographical gap in the North and North-Eastern States. Financial assistance up to Rs. 2.00 crores can be provided to an Institute under the scheme for purchase of listed equipments. The infrastructure including staff will be provided

by the concerned State Government/Organisation. This is a one time grant.

Setting up of Cobalt Therapy Unit

Financial assistance up to Rs. 1.50 crore is provided to State Government for setting up of Cobalt Therapy Unit in Government institutions. Special building to house the unit has to be constructed out of their own fund with specifications prescribed by BARC, Bombay. The special building should be ready before the release of any assistance for the Cobalt Therapy Unit. This is a one-time grant.

An amount of Rs. 1.00 crore is also provided for Cobalt Therapy Unit to the Non-Governmental Organisations on the specific recommendations of the State Government. This is a one-time grant.

Assistance for Mammography Unit

The Mammography equipment has also been included under the scheme for setting up of Cobalt Therapy Unit. A Central assistance up to Rs. 30.00 lakhs can be provided to those Institutions/ Organisations who have the facilities for treatment of cancer patients and has well-equipped Radiotherapy Department. This is also a one-time grant.

Voluntary Organisation Scheme

The scheme is for financial assistance up to Rs. 5.00 lakhs to the Voluntary Organisations for undertaking health education and early detection activities in cancer on the specific recommendations of the State Government as per proforma enclosed. The organisation must produce proof to the effect that they are engaged in cancer control activities for the last 3 years.

The schemes for Non-Governmental Organisation (NGOs) are governed by the provision of GFR 148 to 151. The NGOs should be registered under the Societies Registration Act, 1860 and are charitable organizations. As per GFR 148, the instituion must have a legal status. As such, the institution must be registered under the relevant Act and have a registration certificate. It is to be ensured before forwarding their applications to this Ministry for grant-in-aid. Further, the institutions seeking grant-in-aid will be required to

submit an application as per prescribed proforma which should enclose along with the Registration Certificate, Articles of Association, Bye-laws, Audited Statement of Accounts, source and pattern of income and expcnditure and the Annual Reports for the last three years.

District Cancer Control Programme

A scheme for district project (duration-five years) for health education, detection and pain relief measures under National Cancer Control Programme was initiated during the year 1990-91. In this scheme, financial assistance of Rs. 15.00 lakh is provided to the State Government/UT administration for each district selected under the scheme with a provision of Rs. 10.00 lakhs per annum for each district for the remaining four years of the project period. After five year, the project is to be taken over by the State Government. Two committees are to be constituted; one at the State level and other at the District level. The State Government may issue administrative orders in these regards.

The Utilisation Certificate in respect of the each scheme where grant-in-aid was released earlier is required to be submitted. State Government/Institution are to ensure that the Utilisation Certificate along with the copies of the relevant audited accounts may please be enclosed for ready reference in each case.

Drugs for AIDS control

3980. SHRI K. KALAVENKATA RAO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that Cipla Company has offered to supply drugs to control AIDS; and

(b) if so, its approximate cost and allocation proposed for AIDS control in the country commensurate with the actual expenses of the medicines?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) Yes, Sir. Cipla has offered an International NGO based in
